Petition No 33 of 1896

1. Petitioner's history of services as extracted from his Service Register may conveniently be divided into 4 periods viz.

I period from 1876 to 1886

II period from 1886 to 1891

III period from 1892 to 1894

IV period from 1895 to 1896.

(2) I period from 1876 to 1886

During this time he rose from No 5 in roster to No 1 in Class A list which accompanies the Service Register & which is stated to be copied from the Barrack Room which leave he took during this period & civil fines were imposed on him.

Column 7: 2 times fine in 1877

Col: 2 4 times fine in 1881.

Col: 3 & 4 in 1882 fined twice Rs 1-4-0

— 15 to 19 — 1884 — 5 times — 3-4-0

Under the head Character & Conduct there is entry in red ink of the above fines & despite which he was promoted on 19.12.82

& the date of his last conviction

He is a trustworthy man.

(21.) 1st period from 8.8.88 to 8.9.89. 3

The following three remarks of the Architect under the heading "Character of Officer" belong to this period. 1st Copy of remarks written in English 8.5.88

"A useless & mischievous Builder" Vide top of 1st page in above Copy

2nd remark in Canarese is not quite of the same.

"As he did not bring his work properly & as he spoke falsehood on one or two occasions, ever since he joined this appointment, he is removed (to 5th) & transferred."

3rd remark by the Builder of 5th - Nagalore, in Canarese, of 2.6.89.

"Ever since he came to this Taluk his conduct & his work are very good. He has given me every satisfaction. As I had heard of his past conduct, I had kept him under my strict observation & was rather very hard upon him. Suddenly they that he not only put up patiently with my harsh treatment but did all his work with much willingness."

he is not a fit person to be retained in Govt. service & consequently direct that he be dismissed from the date from the date he handed over charge to the."

2. The records show that the case & the petitioner's petition presented on the Govt. right up to the last stage of the petn. (as well as the Govt. counsel) treat both together as it was since 1892 that his misfortunes commenced one after the other. He had prayed in his petn. of 1893 to the Govt. for relief

(i) against the reduction from Rs 20 to Rs 15

(ii) against the further reduction from Rs 15 to Rs 10

(iii) against the order of suspension for 3 years. &

(iv) to be paid at Rs 20 a month from the date of his first reduction.

It was only to his 3rd prayer that the order of the Govt. proceedings dated 9/86-7 Sept. 1887 referring his representation related. After the

receipt of the said Govt. order
he further submitted a letter
to the Govt. enclosing the said
order of the Dy Commr intimating
to him the decision of the Govt
in his case, & praying that
his other prayers may be considered
& granted. For the abstract
of this letter is found the following
order of 20/7/94 & File endorsement
No 1113 of 14th May 94 disposing
of the case. File the letter
says that he was not able to
his case further having been
in the service but only awaited
the orders of Govt.

3 The Vernacular papers, relating
to the 3rd period are not in the file
except the report of the Dy Commr
of 1893, 3rd The printed enclosure to
letter No 56 of 1896, relate to that period
also. Petr's remission from Rs 20
to Rs 15 is, as stated by the Dy Comr,
a departmental punishment
under Sec. 35 of the D. R. Code.
The petr also says in his printed
enclosure that he received orders
from the Dy Commr that he
was reduced to 15 Rs for other matters

That the Asst Comr did not believe his statements and therefore removed him & & & transferred him to Chittoor Court.

In 1892 he was reduced from 1st to 2nd for disobedience & telling falsehood

have given strict orders to clear

19 The services of petitioner Thommaiya
Late Sheikdar of Thirvené, Tanjore
Jahit, Kaiwar district are as follows

He entered the service
as a Koolie on R.S. on 15-7-69,
obtained temporary lefts WR 6 & 8,
& was promoted as Sayer Manjaris
on R.L 6 permanently on 24-3-75.
In 1879 he was promoted WR
8 & 10. He was made a permanent
Sheikdar on R.L 10 on 10-4-80.
His pay was increased WR 20
in 1887 but on 27-4-89 it was
reduced WR 15. On 8-7-91
however he got his 20 R back
but on 11-11-92 his pay
was again reduced WR 15 &
was further reduced WR 10 on
14-2-93. Between 10-8-92 &
11-11-92 he was under suspension
He was again under suspension
between 18-7-93 & 27-5-94. From
the latter date to 8-3-96 he continued
to be a Sheikdar on R.L 10. On
8-3-96 petitioner was dismissed
from the service.

O.T.O.

Thenmerous faults & punish-
-ments.

Petitioner was fined in
small sums between 1874 &
1885 - a period of eleven years
No previous are given for these
punishments.

He was placed under suspension
10-8-92 & was imprisoned on
a Conviction of Criminal Breach
of Trust & altho' in appeal the
Conviction was quashed, his pay
was reduced from £1 15 - in this state-
-ment & his pay during the period
of suspension was given to the
person who acted for him, as
a departmental punishment.

On 18-7-93 he was again
~~he~~ under suspension (for
(three years) for General bad
Conduct, frequent punishments
& bad reports of different tasks
& bad reports of attendance.

As he did not join his new
appointment, he had been transferred on 9-2-93 to the Shwebo Battalion
on a reduced pay of Rs 70

But the reasons assigned were more than sufficient. He was also guilty of having delayed the payment of Reddan's salaries and was acquitted taking all the facts of the case into consideration I am of opinion that the reason given for dismissing him is inadequate; & that he should be restored to the service & allowed arrears of pay from the date of dismissal to the date of his reinstatement. The period for which he should be allowed arrears of pay is a matter for the Govt to decide. The Govt regrets that he did his best within the time allowed. The mapping of the Reddan under which the Petr served have not recorded any favourable opinion of the Petitioner's services & the Govt regrets that he is unable to grant the prayer of the petition.

(11)

W.D. 3.96 Petitioner was dismissed from the service for failure to comply with the Dept Comm's order on 31.12.95 to clear up certain arrears & work for a certain allowance in spite of repeated warnings & punishments.

Petitioner's character has been assessed as follows:-

The Kotha at Mildenhall says of him that he is a useless & mischievous Reddan

There is a record remark against him that as he was not doing his work properly & he spoke falsely on one occasion over which he gained his appointment he is reduced & transferred.

The present Dept Comm's Mr Sparkes has invariably had a very unfavourable opinion of the petitioner's conduct

I have very carefully
considered the papers
and have come to
the conclusion that
the order of dismissal
must be set aside -

The ground for the
extreme punishment
of dismissal awarded
by the Secy is that he
did not comply
with the Secy's
Order of 31st Dec 1895
to clear off all the
arrears of pending
papers with him by the
the end of the following
January - This order

does not
seem to have been

the Petr [illegible] about the

the Sheriff's desk

with the exception
of a few unimportant
papers - The Sheriff
asserts that
he had about 12 hrs.
on this the Secy
dismissed the Sheriff

The ground urged
by Petr appears
be very inadequate
support the order
of dismissal - The
Secy seems therefore
also relied upon the
fact that the Sheriff
did not bear a good
character - He
is an old servant
and after serving
with first grade
Sheriffs began to
go down - He was
twice degraded, once
suspended and
fined several times

I went there 7 or 8 days after I gave over Charge. Then Master Venkat Subbiah was not found. I then went to Malavalli. There the master Ramiah of that place was not found. That amount together with "Nimakada" pay finished Vouchers. I gave to the aforesaid Narasaiha with instructions to handover the 30 Rs and the Vouchers, and I came away to the place to where I had been transferred, Considering that

I did not pay the money at the Palak Cutchery. Srinjeri Swamy had come to his house at Subbiah (Chaubiah) was engaged in Panjalata. I therefore did not pay the money to him also. I did not know that I had to write a report to the Palak Cutchery, for I had the Kirby Bunker with me. Biggauhally is about nine miles from Chickmagalur.

6. The following witnesses were examined for the defence:-

1st Neelakantiah Shanbedar of the Amzore Palak.

2nd Krishnappa Chaubhoje of Kallamadi

3rd Narasimhiah of Biggauhally Retd.

The following exhibits are filed in behalf of the accused:-

No: 1. The report of the accused Timmappa who was transferred from Murlay Magany Sheikdary to the Sheikdary of the Kalasa Magani

the

in the Mudigere Taluk dated 18th September 1891.

In this case the accused Shirastdar Punnaiya was entrusted with Government money Rs 30 Rs to disburse the pay of the Holeali school masters of Biggavalley and Malalur.

On the 2nd June 1891 the accused Shirastdar received the Rupees which was the pay of the Biggavalley school master Venkat Subbaiah for the month of May 1891. The receipt of this amount by the accused on the 2nd June 1891 is proved by exhibit C. being the usual acknowledgment in the Baramahal Book of the Holeli School masters in the Chickmagalur Taluk. The accused also admits the receipt of this amount. He did not pay this amount of Ten Rs to the said school master till the 16th September 1891 vide receipt exhibit No 7. This amount forms the subject of the 1st head of the charge

The accused further, in his capacity as Shirastdar received another Three, the pay of the said School master Venkat Subbaiah and that of the Malalur Holeli School master Ramaiah, for the month of June 1891. Rs Ten

able to distribute the pay of the two School
Masters who lived within the distance
of 5 miles the longest, he should have done
so at once and given their receipts to the
Chandeyne, who received them on the 5th May
1871. The received in his report, item 4
(existing 3) states that he had not with
him the pay of the School Masters of Bijapur Taluka
and Indian — when he handed over
charge to the Assistant Chandeyne Venkat
Rodrigs Con the 5th July 1871. There was no
reason why he should not have with him
the 20 Rs he received only on the 1st of that
month for disbursement, while he had
received his order of transfer on the 4th
or 5th of the same month the 1st being the
date on which he received the 20 Rs
at the Taluq Cutchery of Bijapur for
disbursement. Indeed he had received
the other ten Rupees being the pay of the
Bijapur Taluq School Masters Venkat Rodrigs
for May 1871, the 2nd June 1871. The
said

did not attempt this, but, about the said
about March 1st in September 89.
If he had any real difficulty in discovering the pay of these Police Masters
his proper course was to report the same
to the Auditor and forward the money
at once or at any rate when he received
the order of transfer or at the time
of his delivering over Charge of his
office to the 2nd Prosecution witness.
Again he had no business to assume
that these amounts up to a lump sum
of £50 /- and keep the same with the defence
3rd witness Nsimangira, since he is not
to refer to the amounts paid on different
dates for different months. The Police
Master should have 2nd witness for
the prosecution, before that notorious and
his demands to be vested he did
not pay him his pay for may & June 89.
That he sent two reports to the Police
Authority, exhibits Q & R. Complaining
of the same. He states in his report

that it would be late. Telling this Nirooma
appa to deliver the said thirty Rupees to
the Acting Sheikdar, Shanbogue Venkata
Soobiah and send his receipt, I went away
to Kalasa. Some days after I went there
I awaited the reply of the Acting Sheikdar
who did not reply to my letter. Then the
said Nirvanappa sent word to me to
Kalasa to the effect that he did not know
who the Sheikdar Venkatsubbiah was,
that others came transferred as Sheikdar,
that he did not know their mind, that
he could not therefore see his way to pay
the money to them; that I should at once
on my responsibility get that amount
disposed of. I at once came to Mudgere
and told the Shiristedar Nilkanthiah
all this and obtained three days
from him and came to Biggavalli
I there took the 30Rs from the said
Loocar

Sowcar Nirvanappa and paid at Biggankully twenty rupees to Venkat Subbiah school master of Biggankally and obtained his receipts — dated 16th September 1891. These receipts are the exhibits B & C). On the same day I went to Malaloor, where master Ramiah was absent. He was at Kadar mid away about a mile from Malalur. On the same day I paid him ten Rupees and obtained his receipt exhibit A. dated 16th September 1891. I then returned to duty. I sent these receipts to the Chickmaglur Taluk with my report dated 18th September 1891, by host (exhibit No 2) I have nothing more to say. I delivered over Charge of my office to Murlay Shanbhoge Venkat Soobiah at Kirimaglur on the 8th day of July 1891, in the evening. I did not know that I was transferred. I recollect having received Orders on the 4th or 5th July 1891. The seven days' preparation time expired. Therefore

I

6. That the Accused) gave him
evasive answer when he demanded him
for his pay. This Complainant Submitted
in his report (Exhibit A) also Complaint
of Similar Conduct of the Accused in
Advancing his rejected demands for his
pay. The Disbursing Paid Clerk's Book
had to, and requisition to the Manager
Calcutta Authorising to receive these Bonds
from the Accused Store as Remittance
of the latter Paid. The Accused instead
of paying money at once for having
for 5 days' leave from the Manager Calcutta
Circle Clerk, to Bhagalpur and Kadamkuan
pay in the Disbursing Paid Book, the
three Amounts of Rs 60 Rs 60 & Rs 30 ed
witness on the 6th September 1891 as per
receipts of that date, Exhibits B. E & F,
and drew these receipts with his report
(Exhibit No 1). His statement in his

Report

Appeal No. 41. that he did not find these deleted
matters whenever he went to this Village
is simply absurd. Under the foregoing
circumstances I do not believe that the
accused had kept 30Rs with the 3rd witness
Nirvanappa with a letter to be delivered
to the acting Sheikdar, the 4th witness for
the prosecution. There is much difference
between the accused's statement & the
evidence of this Nirvanappa who denied
the fact of his having received any money
to be remitted to Kalasa that the witness did not know who
the Acting Sheikdar was. There is again
discrepancy between the evidence of the
2nd and 3rd defence witness as regards
the time of the delivery of the money to the
3rd witness. I cannot bring myself
to believe the afterthought absurd story
of the accused having deposited money
Rs 30 Rs for safe custody with the defence
3rd witness. In the 7th para of the accused

twenty, on the 4th July 1891, as acknowledged by the accused in his receipt (D) in the said Baravard Book. These amounts were paid to him on the aforesaid dates in the Chickunaik Taluk Cutcherry along with the pay of the other Hobli school masters for distribution of their pay to them at their schools. Biggauhally is about 9 miles from Chickunaikanhalli and Malalur where the School Master Ramiah lived is about 5 or 6 miles from Chickunaikanhalli. The accused did not pay those twenty Rupees to the School masters Venkatasubbiah and Ramiah of Beggauhally and Malalur respectively till the 16th September 1891. This amount of 20 Rs paid to the accused on the 4th July 1891, forms the subject of the 2nd head of the Charge.

The accused Sheikdar was transfer: red to Kalasa Magani Sheikdary from Murlay Magani of the Chickunaikanhalli Taluk upon mutual exchange. The transfer

was

was ordered in July 1891. The accused handed over charge of his Office to Murlay Shanbogue at Hiremagloor about 2 miles from Chickmagloor on the 8th day of July 1891, having received orders to do so on the 4th or 5th July 1891, i.e. within 3 or 4 days after he received the order. He did not deliver the aforesaid 30 Rs to the Murlay Shanbogue Venkat Subbiah 4th witness for the prosecution who relieved him. He says that he did not pay the money to the Taluk Treasury, because he did not know the order of his transfer, yet he says he received order on the 4th or 5th July 1891. It is on the 4th July 1891 he received the 20 Rs of the 2nd head of the Charge at Chickmagloor in the Taluk Cutcherry. If he had received orders on the same day or on the following day he should have as an honest man paid back the money Viz 20 Rs in to the Taluk Treasury, stating that he stood transferred or if he was

able

(Exhibit No I) failed to give the significant
omit the name of the 2nd defence witness and
says that he had sent money with his
people to deliver these amounts of Rs to
the acting Sheristar, that as acting Sheri-
:dar was new to his people he himself was
taking the money to pay the same personally
to the acting Sheristar, that on that account
came to Nuwara Eliya on the 10th September 1901,
that he happened to meet with these Malabar
and Bazaar Portuguese school masters on the day
that their pay's item only obtaining their
receipts for the payments. This accidental
meeting with the School masters of the two
different villages appears to be a strange
coincidence, bearing in mind that these School
masters were not known by him previously
in their villages. The fact appears to be that
the accused was strictly demanded
for the money. The prosecutor brought forward

the

monies to said school masters in their villages having obtained leave for 5 days for that purpose apprehending greater danger in his producing the money in the Court Cutchery, if he had the money before the date of his payment to these School Masters.

There is thus a clear proof of the dishonest misappropriation of the 30Rs which were entrusted to him in his Capacity as a Public Servant, for disbursement to the Taluk School Masters.

The Court finds that the accused Timmayya is guilty of the offence specified in the 1st head of the Charge viz That he being entrusted with property viz 30Rs being the pay of Venkatsubbiah Bezzanally school master for the month of May 1891, in his Capacity of a public Servant Committed Criminal Breach of Trust thereby Committed an Offence punishable under

under section 409 of the Indian Penal Code.

The Court further finds that the accused Pimmaliya is guilty of the offence specified in the 2nd head of the Charge viz that he being entrusted with property viz Rs 20 being the pay of the said School master Vencat Sobiah and Ramiah for the month of June 1891 at 10 Rs each in his Capacity as a Public Servant Committed Criminal Breach of trust and thereby Committed an offence punishable under section 409 of the Indian Penal Code.

The Court directs that the accused Pimmaliya shall suffer rigorous imprisonment for 15 fifteen months and 6 pay a fine of Rs 30 and in default to suffer additional rigorous imprisonment for one month.

5. The plea of the accused was that in the hurry of moving our change of office to this occasion he was not able to advise the Jury of the two disbursements in question and that he therefore left the amount with a sworn sworn statement with a letter addressed to the Secretary Sheldar but that the said Messenger left returned the money deposited with him almost 2 months after, saying he was unable to pay it to the Secretary Sheldar, or during that short interval, to take any balance to set as Sheldar.

6. The accused in his original petition presented to this Court states that it is not customary for Sheldars occasionally to retain in their possession the pay of Soldiers for long periods owing, partly to pressure of work & partly to the absence of the disbursements from their places when the Sheldar goes there. This plea is not altogether

I therefore confirm the conviction & sentence passed upon the accused by the Lower Court, and direct that the fine imposed upon him be refunded to him if the same has been received

to have endorsed this document, and instead of handing over the money which he is charged with having misappropriated, to the acting Collector or returning it to the Calcutta Treasury, he kept it in the regular course of business. He deposited it with a Sonar, Nilmoni Pal, together with a letter addressed to the Acting Collector asking him to receive the money from the Sonar. Nilmoni Pal (3rd witness for the defence) corroborates the accused on this point, and there is no reason why he should not be believed. On the evidence, the evidence against the accused only raises a strong suspicion about his conduct, but is not sufficient in my opinion for legal conviction.

4. The accused was Shekdar of Mirle Magani in the Chikmagalur Taluk and was on the 2d June 1891 entrusted with a sum of Rs. 10 to be paid to one Venkat Soobbiah, Hobli Schoolmaster at Biggamahulli, being his salary for the month of May 1891. The accused was also entrusted on the 4th July 1892 with a sum of 20 Rs., of which 10 Rs. was payable to the said Hobli Schoolmaster as his pay for June 1892 and the remaining 10 Rs. was payable to another Hobli Schoolmaster, Ramiah of Malalur as his pay for the same month. On or about the 4th July 1892, the accused was transferred from the Mirle Magani in the Chikmagalur

Chikmagalur Taluk to the Kalasa Magani
in the Mudgere Taluk. He handed over
charge of his office on 8th July to Shanbogue
Venkatsoobbiah of Mirle, who had been
ordered to take over charge of it temporarily.
The complaint against the accused was
that before giving over charge of his office,
he failed to pay the amounts in question
to the two schoolmasters to whom they were
payable, and that he also failed either
to pay the same to the Shanbogue who
took charge of the office from him, or to
return it to the Taluk Cutcherry with
a report stating his inability to disburse
the amounts to the schoolmasters as he
was bound to do. He however paid them on
the 16th September, on being called upon to
do so by the Amildar sometime after his
transfer to another Taluk.

Read:-

Petition No 3653 dated 3.6.96 and the enclosed petitions of Timmappa late Shekdar of Sivanahalli in the Tarikere Taluk, appealing against the order of the Deputy Commr, Kadur District dismissing him from Service.

2. Correspondence ending with docket No 32 dated 13th November 1896, from the Deputy Commr, Kadur District reporting on the above.

3. The records of the case under review No 10824 / C.A.22-97 dated 14/6/98

(14c1)

Court have carefully considered these papers and have come to the conclusion that the order of dismissal must be set

Set aside.

The ground for the extreme punishment of dismissal awarded to the petitioner is that he did not comply with the Deputy Comm's order of 31st December 1895 to clear off all the arrears of pending papers with him before the end of the following January. This order does not seem to have been communicated to the petitioner till about the middle of January. Within the short time allowed to him, the Huzildar has reported that the Shekdar disposed of a good many with the exception of a few unimportant papers. The Shekdar's abstract shows that he had about 12 pending papers. On this the Deputy Comm dismissed the Shekdar.

The ground urged

70 by itself, appears to be very inadequate to support the order of dismissal. The Hy Court therefore also relied upon the circumstance that the Shekdar did not bear a good character. He is an old servant and after rising to the first grade of Shekdars began to go down. He was twice degraded once suspended and fined several times. But the reasons assigned were more or less trivial. He was also criminally tried for having delayed the pay (E) Public School master. much of Shekdars Salaries but was acquitted. Taking all the circumstances of the petitioners service into consideration Court are of opinion that the reason given for dismissing him is inadequate and it will

he ex-hereditary land & old servants after serving the Govt for nearly the whole of the pensionable period are thus dismissed. The time given for the petitioner to dispose of all the pending papers was insufficient and the Amildar reports that he did his best within the time allowed. The majority of the Amildars under whom the petr served have recorded opinions favourable to him and the punishments he has undergone are such as few Shekdars have not generally suffered. Under all the circumstances of the case it will be equitable to restore him to his appointment. The Dy Collr will accordingly give him a further trial. If he is found incompetent he will be open to the Dy Collr to retire him on such pension as he may be entitled to.
